# Who is Suitable to Take the AI Scalp Masterclass?

The **AI Scalp** Masterclass is designed for professionals with a proven foundation in advanced treatments. To ensure the highest standards of safety, precision, and client care, applicants must already hold relevant qualifications. Suitable candidates include:

- **Aesthetics professionals** with training in advanced skin or hair-related treatments.
- **Scalp Micropigmentation (SMP)** artists who want to expand their portfolio with AI Scalp's unique method.
- **PMU** (Permanent Makeup) technicians trained in micropigmentation who want to branch into hair density services.
- **Beauty therapists** with Level 3 qualifications (or equivalent), looking to upskill into a high-value, specialised niche.
- **Qualified tattooists** with training in skin related treatments.

This **accredited** masterclass is *not* for beginners — it is for trained professionals who want to bring an innovative, in-demand, and life-changing treatment to their clients.

IF YOU DO NOT HOLD ANY OF THESE QUALIFICATIONS YOU CANNOT  
PROCEED WITH THE COURSE

By joining, you'll be part of a **growing movement**, offering something very few can: the ability to change lives through the power of *hair density* restoration.
